Table of Equivalent Courses

All courses listed below transfer to Nicholls State University as either the indicated equivalent or elective credit. Fletcher courses that do not match any Nicholls courses are numbered as 1XX or 2XX. For example, if a student completes Fletcher's three-credit CRJU 2650 course, since Nicholls does not offer an equivalent course, the student will receive three credits for a CRJU elective course at the 200 level. This course is designated as CRJU 2XX. The determination as to whether elective courses or any specific courses not listed on the advising guide of a particular program will satisfy any requirement of the program is made by the department and the college of the major. Developmental (remedial) courses (†) are not considered college-level courses and will not apply to any degree program. Grades for all courses will be included in the official cumulative GPA. Students are strongly encouraged to seek the assistance of Fletcher or Nicholls advisors when selecting courses for transfer. Highlighted courses are no longer offered at Fletcher, but may still be degree applicable if completed prior to discontinuation.
