

# Dyslexia Center News

The Center has started a "Wall of Fame" dedicated to showcasing what some of our past students have been up to since graduating from Nicholls. If you are a past Center student and graduate of NSU, or perhaps you know of someone who was in the Center and graduated from NSU and doing "great things" since graduation. With permission, let us know, and we will include the information in our monthly newsletter. Send your information to me at [paula.hotard@nicholls.edu](mailto:paula.hotard@nicholls.edu) and we will share your news with our subscribers. **Additionally, the Center would like to thank all of our many supporters. Spreading the word about the Center is the best form of promotion and publicity.**

## Scholarships

With the rising cost of college tuition, parents and students may want to investigate scholarships. You may want to start at the NSU website and go to <http://www.nicholls.edu/finaid/scholarships> to search for possible scholarships. Criteria is posted with the name of the scholarship and applications are in the financial aid office. The Center also has four scholarships that are offered to juniors and seniors. Center students may talk to their coordinator about the criteria of our scholarships.

## Wall of Fame

E. Anna Roberts (Spring 2008) is currently the Executive Director for South Louisiana Center for the Arts.  
 Ron Sapia (Spring 2009) is currently the assistant campaign manager for Brent Callais.  
 Patrice Boudreaux (Fall 2007) is currently in graduate school pursuing a Masters in the school psychology program at NSU. Patrice is also the activity therapist at Compass Psychiatric Specialist in Houma.

## Operation White Socks

At the beginning of the semester, the Center began collecting new white socks for the military. As of 8/24/09, we have collected 314 pairs of socks with the help of the NSU community and a student who started an Operation White Socks on her own; she donated a tremendous amount of socks. The drive will continue until some time in October and our local Wildlife and Fisheries will pay for the cost of mailing the donations to the agency responsible for sending the socks to the deployed troops.
