Creative Scholars Camp

51 campers attended camp this year. Campers learned valuable strategies for reading, writing, and math that will help them in their coming school year. Along with these strategies, campers enjoyed swimming, games, science experiments, art, and a murder mystery. The night campers ended their stay on Friday night with a Fiesta complete with a piñata and Mexican buffet. Many campers have already said, "I'll be back next year!" Please spread the word about our camp.
