

EITHER/OR and TRUE/FALSE

Access the Test Canvas page.

Click the drop-down list to the left of the GO button to display a list of question types

The screenshot shows the Blackboard Test Canvas interface. At the top, there are navigation links for 'My Institution', 'Course Catalog', and 'System Admin'. Below this is a breadcrumb trail: 'BLACKBOARD TEST SITE > CONTROL PANEL > TEST MANAGER > TEST CANVAS'. The main heading is 'Test Canvas'. A paragraph of text explains that users can add, modify, and remove questions. Below this text is a form with an 'Add' dropdown menu currently set to 'Calculated Formula', a 'GO' button, and a 'Creation Settings' link. A detailed description of the 'Calculated Formula' question type is shown, including its name, description, and instructions. At the bottom right of the form area is an 'OK' button.

Select the **Either/Or** item

Click **Go**

This screenshot is similar to the previous one, but the 'Add' dropdown menu is open, displaying a list of question types. The 'Either/Or' option is highlighted. The rest of the page, including the breadcrumb trail, heading, and description text, remains the same. The 'GO' button and 'Creation Settings' link are still visible.

EITHER/OR and TRUE/FALSE

Choose an Answer Label. We will use the **Agree / Disagree** item

NOTE: When a new label is selected, the page reloads to display the corresponding answer options.

The **Either/Or** OR **True/False** question is complete and now part of the exam.

The screenshot shows the Blackboard System Admin interface. At the top, there are navigation links for 'My Institution', 'Course Catalog', and 'System Admin'. Below this is the 'Test Canvas' section. A message states: 'Add, modify, and remove questions. Select a question type from the Add Question drop-down list and click Go to add questions. Use Creation Settings to establish which default options, such as feedback and images, are available for question creation.' Below the message is a form with a dropdown menu set to 'Either/Or' and a 'GO' button. To the right is a 'Creation Settings' link. The form contains the following fields:

- Name:** Either/Or and True/False
- Description:** This type of test item is often not really a question, but, rather, a statement to which the learner responds with True or False, Agree or Disagree, or Yes or No, for example. the Either/Or and True/False question types hold the same properties. True/False questions allow you to use only True and False for answers.
- Instructions:** (with a 'Modify' button)

Below the form, there is a 'Question 1' dropdown menu, a '5 points' indicator, and 'Modify' and 'Remove' buttons. The question text is: 'Recent high school graduates lack the basic skills in reading comprehension, writing and math, which are vital for successful job performance.' The answer options are 'Agree' (checked) and 'Disagree'. There are 'Add Question Here' links on the right and an 'OK' button at the bottom right.

This is how an **Either/Or** question appears to students.

The screenshot shows the Blackboard Preview Assessment interface. At the top, there are navigation links for 'My Institution', 'Course Catalog', and 'System Admin'. Below this is the 'Preview Assessment: Either/Or and True/False' section. The breadcrumb trail is: 'BLACKBOARD TEST SITE > CONTROL PANEL > TEST QUESTIONS > PREVIEW ASSESSMENT: EITHER/OR AND TRUE/FALSE'. The form contains the following fields:

- Name:** Either/Or and True/False
- Instructions:**
- Multiple Attempts:** Not allowed. This Test can only be taken once.
- Force Completion:** This Test can be saved and resumed later.

Below the form, there is a 'Question Completion Status:' dropdown menu. The question text is: 'Recent high school graduates lack the basic skills in reading comprehension, writing and math, which are vital for successful job performance.' The answer options are 'Agree' and 'Disagree', both with radio buttons. There are 'Save' and 'Submit' buttons at the bottom right.
