

EITHER/OR and TRUE/FALSE

Access the Test Canvas page.

Click the drop-down list to the left of the GO button to display a list of question types

The screenshot shows the Blackboard Test Canvas interface. At the top, there is a navigation bar with 'My Institution', 'Course Catalog', and 'System Admin'. Below this is a breadcrumb trail: 'BLACKBOARD TEST SITE > CONTROL PANEL > TEST MANAGER > TEST CANVAS'. The main heading is 'Test Canvas'. A paragraph of text explains that users can add, modify, and remove questions. Below this text is a form with an 'Add' section containing a drop-down menu currently set to 'Calculated Formula', a 'GO' button, and a 'Creation Settings' link. A 'Description' field contains text about the 'Either/Or and True/False' question type. At the bottom right of the form is an 'OK' button.

Select the **Either/Or** item

Click **Go**

This screenshot is similar to the previous one, but the 'Add' drop-down menu is open, displaying a list of question types. The 'Either/Or' option is highlighted. The rest of the page, including the navigation bar, breadcrumb trail, and 'Description' field, remains the same as in the previous screenshot.

Type the question in the Question Text textbox.

The **Either/Or** OR **True/False** question is complete and now part of the exam.

The screenshot shows the Blackboard System Admin interface for creating a question. At the top, there are navigation links for "My Institution", "Course Catalog", and "System Admin". Below this, there is a "Test Canvas" section with instructions on how to add, modify, or remove questions. A form is visible with the following details:

- Add:** A dropdown menu set to "Either/Or" and a "GO" button.
- Name:** "Either/Or and True/False"
- Description:** "This type of test item is often not really a question, but, rather, a statement to which the learner responds with True or False, Agree or Disagree, or Yes or No, for example. the Either/Or and True/False question types hold the same properties. True/False questions allow you to use only True and False for answers."
- Instructions:** A text area with a "Modify" button.
- Question 1:** A dropdown menu set to "Either/Or" and a "5 points" value. There are "Modify" and "Remove" buttons.
- Question:** "Recent high school graduates lack the basic skills in reading comprehension, writing and math, which are vital for succesful job performance."
- Answer:** Radio buttons for "Agree" (checked) and "Disagree".

At the bottom, there is an "OK" button and a status bar showing "Applet hidden_webeq_applet started" and "Internet".

This is how an **Either/Or** question appears to students.
