

Nicholls State University Office of Greek Life Community Service Hours Tracking Form

Instructions:

1. This is your chapter's community service tracking form.
2. At the end of each month the community service chair/president/advisor will turn in the following information in to the office of Greek Life.
3. This information will be kept on file in the Office of Greek Life in order to calculate Community service yearly statistics for the office.
4. The information provided through this tracking system will then be verified at the end of the year (during Greek Week) with the submission of the University Community Service forms.
5. This form will also be submitted at the academic end of the year to keep on file.
