[†]All studio classes require portfolio review. For studio courses, NASAD standards require faculty to have the terminal degree in art (MFA) with at least 18 hours in the area of instruction. Art history courses require the expertise of an art historian.

^{††}Literature specifically is not required but does count as a non-ART GE humanities course.

*** Check catalog of transfer institution for specific course recommendations, depending on anticipated major.**

Completion of the AALT/ASLT degree guarantees that the student has met, in full, all lower division general education requirements at the receiving Louisiana public university. Graduates transferring with the transfer degree will have junior status. Courses or GPA requirements for specific majors, departments, or schools are not automatically satisfied by an AALT/ASLT degree.
