AALT Graduates completing the Statewide Concentration/Business curriculum have met, in full, all lower division general education requirements for a bachelor's degree in a general business program at any public College/School of Business in Louisiana. Admission requirements vary. * **Students should consult their expected transfer institution for program admission requirements and specific course recommendations to prepare for a particular business major.** *

Completion of the AALT/ASLT degree guarantees that the student has met, in full, all lower division general education requirements at the receiving Louisiana public university. Graduates transferring with the transfer degree will have junior status. Courses or GPA requirements for specific majors, departments, or schools are not automatically satisfied by an AALT/ASLT degree.
