Notes:

†Demonstration of education depth in an academic area with at least an overall C average is required. This depth is most easily demonstrated by way of an academic minor of at least 18 hours, 9 hours of which are at the 300-level or above. For graduation purposes, this academic depth must be approved by the Interdisciplinary Studies department head.

††Literature specifically is not required, but does count as a GE humanities elective. Student should select humanities courses from a variety of disciplines.

*** Check catalog of transfer institution for specific course recommendations, depending on anticipated major.**

Completion of the AALT/ASLT degree guarantees that the student has met, in full, all lower division general education requirements at the receiving Louisiana public university. Graduates transferring with the transfer degree will have junior status. Courses or GPA requirements for specific majors, departments, or schools are not automatically satisfied by an AALT/ASLT degree.
