Bio/History Note
Claude Berwick Duval was born 24 October 1914 in Houma, La. to Stanwood Duval and Mamie Richardson. In 1937, Duval graduated from Tulane University School of Law in New Orleans with a L.L.B degree. He was admitted to the Louisiana State Bar later that year and began a law firm in Houma with Ashby W. Pettigrew, Jr. Duval later became the senior partner in the law firm, Duval, Arceneaux, Lewis & Funderburk. In 1938, Duval married Betty Bowman of Staunton, Va. They had one child, Dorothy (Dottie) Duval.

During World War II, Duval gave up his law practice to enter the Marine Corps as a Private First Class, in which he earned numerous citations and medals. While continuing to serve in the Retired Marine Corps Reserve, Duval eventually rose to the rank of Lieutenant-Colonel. He later served as state commander of the American Legion in Louisiana and Executive Committeeman from Louisiana for the National American Legion.

Duval began his political career in 1956 as a candidate for state representative in the Louisiana Legislature. In addition to serving as campaign manager for Chep Morrison’s first bid for governor of Louisiana, Duval ran and lost a bid for lieutenant governor as Morrison’s running mate in the 1964 state elections. He then served as state senator from 1968-1980, during which time he spearheaded the renovation of the Louisiana State Capitol, creating Senate committee rooms and staff offices. While in office, Duval served as Chairman of the Senate and Governmental Affairs Committee and Natural Resources Committee. Upon his retirement, he served as a member of the Louisiana Board of Ethics for Elected Officials. The Senate honored him for his efforts in the Capitol renovation project by passing Resolution No. 23 designating the Senate Committee Wing in the west basement of the Louisiana State Capitol as “Duval Hall.”

During Duval’s career, he was a member and president of the Terrebonne Bar Association, Young Men’s Business Club of Houma, Exchange Club of Houma, and Rotary Club of Houma. He was also a member of the American Bar Association and the Executive Committee of the American Red Cross. Duval served as president of the Houma-Terrebonne Chamber of Commerce, Chairman of Tulane University Law School Fund for Houma, and was a member of the state law reform committee. Duval’s business affiliations included serving as Chairman of the Board of Directors of First National Bank of Houma, Director of First American Bankshares, Director of American Bank & Trust Co., and Chief Executive Officer and member of the Board of Directors of Pelican Lake Oyster & Packing Co. Ltd. He also served as Chief Executive Officer of the Stanwood Corporation and Duval-Whitney-Stevenson, Inc.

Duval died 3 March 1986 in Houma, La.
Scope and Content
This collection covers 55 linear ft. and spans 1822-1989 with the bulk of material dating 1950-1979. It is divided into two main groups: Claude B. Duval and Easton Family Papers (Duval’s paternal relatives). The Claude B. Duval Group covers Duval’s political career with a few aspects of his law practice and personal life. His political career covers his campaigns which include correspondence, campaign speeches, radio shows, campaign advertisements and paraphernalia, ads of his opponents, and election results. Another component of Duval’s career in politics involves his work in the state legislature as well as on several legislative committees. This area includes Senate and House Bills, reports, resolutions, concurrent resolutions, legislative newspapers, Louisiana maps, and photographs. It includes the Louisiana Mafia investigation which contains newspaper clippings, magazine articles, resolutions, and committee reports to Gov. McKeithen. Duval’s political work also includes his management of the State Capitol renovation project which contains resolutions, memos, correspondence, and renovation blueprints. In addition, this group contains various local newspapers, magazine articles, and state publications on economic issues for Louisiana. Other political issues involve desegregation, coastal zone management, election ethics, highway construction, natural resources (oil and gas), reapportionment, schools, New Orleans Superdome, and development of downtown Houma. This group also contains various political honors and awards given to Duval during his tenure in office which include plaques, medals, and certificates. In addition to Duval’s political life, this group contains some material on his private work as an attorney in Houma. This includes transcripts of court cases, legal documents, office business, and various law books. Other materials on his personal life involve his activities with the American Legion and his membership on the Board of Directors of several banks in south Louisiana. This includes correspondence, brochures, memos, and notices to shareholders.

Note: Some oversized items are stored separately from the collection in the Map Cabinet and noted as such under their appropriate series and folder.

Note: Some books are cataloged individually and located separately from collection. Individual call numbers provide book locations.

Note: Correspondence Series contains both political and personal correspondence in keeping with Duval’s original order of this series.

Note: Restricted materials located separately.

The second group in this collection includes materials from the Easton family who are linked to Duval through his paternal grandfather—Dr. Claiborne Alexander Duval, who married Julia A. Easton in 1860. The Easton Family Papers contains materials concerning activities of various members of the Easton family during the late 1800s to early 1900s. It includes correspondence, Civil War documents, stock certificates, accounting ledger sheets, autograph albums, campaign speeches, notarial records, essays on local history, and recipe books.
