

**CAEP Standard 4**  
**Advanced Program Completer Data; MEASURE 4**  
**Nicholls State University**  
**CAEP 2023 Annual Report**

**Measure 4: Advanced: Ability of completers to be hired**

Across the F21, S22 and Summer 22 semesters, the Educational Leadership program graduated 23 candidates. The EPP sends out program completer surveys, employer surveys and tracks the employment of program completers. One of the 23 graduates in EDLE (4%) has obtained employment in an educational leadership capacity with 35% employed as educators (8/23). Program completers must have three successful years of teaching to add leadership to their certification and many of these candidates pursued this degree immediately following their Bachelor's degree. The EPP will continue to track the employment of program completers over time to insure successful obtainment of leadership positions.

**Fall 2021**

program	Place of Employment	Certification Area	Position
