3. Administration Remarks:
   Mr. Larry Howell – Dr. Hulbert was not present due to a meeting with the governor. Nicholls suffered a 26% cut, not 5% cut, since 2008. This correction was being emphasized to the governor. Dr. Hulbert is presenting the case of why Nicholls State should be a priority when it comes to funding. 4. Senate Officer Reports:
   a. Faculty Advisory Committee to the Board of Supervisors: Dr. Michot reported that the FAC met with Dr. Randy Moffett and he agreed to suggested changes in the wording of the Policy & Procedures document. He was less receptive to the idea of elimination of the section dealing with "Reduction" and the "3 Month Notification" for tenured faculty. FAC was in favor of proposing "Furloughs" as a method of saving tenured positions; however, it was stated that Nicholls State faculty were not in favor of furloughs.

   The Faculty Senate voted unanimously against the FAC proposal to support furloughs. Motion was made by Dr. Lajaunie, seconded by Gaither Pope. Comments included low salary, lack of pay raises, and the impact on recruitment & retention as reasons for being against furloughs.
