3. Approval of the Minutes: The July 29, 2010 and September 16, 2010 minutes were approved.

4. Administration Remarks:

Dr. Stephen Hulbert

- Dr. Hulbert discussed the news coming out of the Baton Rouge press. He believed that the budget cut would be below $7.4 million which would include the loss of stimulus dollars. The budget cut involves a compromise between the Governor and the Legislature. The good news is that it is not going to be a $32 million cut which was the worse-case scenario. One solution to the revenue problem would be selective tuition in which student tuition would be based on the cost of their individual program.

Dr. Laynie Barrilleaux

- Dr. Barrilleaux discussed the conversion towards Moodle which will be up and running by February 2011. Blackboard would remain operational for another year. Moodle would be mandatory by January 2012.
- INSIDE News was commencing for students.
