Future Colonel Activity Book
My favorite color is:

This is me!

I am ___ years old.

My favorite food is:

My favorite animal is:

My favorite color is:
Colonel Tillou is in the middle of the field, and the game is about to start. Help Colonel Tillou find his way to his seat in the stadium.
Players take turns joining two horizontally or vertically adjacent dots by a line. A player that completes the fourth side of a square (a box) colors that box and plays again. When all boxes have been colored, the game ends, and the player who has colored the most boxes wins.

Color the Nicholls State University Alumni Federation logo. When you are finished, write your name under the logo. Have someone take a picture of your coloring, and post it to Facebook; make sure to tag the Nicholls State University Alumni Federation and use #NichollsAlumni.
AWESOME RED SLIME RECIPE

What you’ll need:
● Clear Glue or White Glue (Elmer’s washable glue works best.)
● Liquid Starch
● Water
● Measuring Cup
● 2 Bowls
● Spoon
● Red Food Coloring
● Glitter/Confetti (optional)

Directions:
In a bowl, mix ½ cup water with ½ cup of glue. Mix completely. Add red food coloring and glitter/confetti to glue mixture. Slowly mix the glue/water mixture into the starch with a spoon. Be sure to get all glue out of bowl. Switch to mixing with hands for a few minutes until you feel it come together. Transfer ooze to a clean, dry container or a plate.

Note: Playing with slime helps it reach the correct consistency. Adult supervision of children is always recommended. The Nicholls State University Alumni Federation does not accept any liability for events that occur as a result of the activities described herein.
Can you find the six differences between these pictures at John L. Guidry Stadium?
