(d) Suspension of campus activity participation

(e) Recommendation to the Office of Student Life that the fraternity charter be revoked

A fraternity or individual must be notified, in writing as to any sanctions imposed against them. Sanctions will not be considered in effect until the receipts of such notification have been received. The Council President, or officer in charge, may temporarily suspend a fraternity in order to keep decorum at a function. This suspension shall be in effect only for the duration of said function. Failure to comply with the sanction, imposed by the IFC Executive Board, shall constitute possible ground for expulsion from campus, or less severe penalties, as the Board shall recommend. Fraternities sanctioned shall bear and be responsible for all the financial sanctions imposed upon their members, by the IFC Executive Board or President.
