

# INTERNSHIP AGREEMENT

The Department of Mass Communication recognizes the value to its students in gaining experience in the work place; therefore, we enter into an agreement with

as an internship site for the \_\_\_\_\_, \_\_\_\_\_ semester. The organization will give the intern,

an opportunity to acquaint himself/herself extensively with most aspects of the employing organization.

1. The sponsoring organization agrees to provide reasonable experiences in relevant phases of its operation in the student's major and to work closely with the internship instructor to make the internship experience a successful one for all parties involved.
2. The sponsoring organization for the intern agrees to the rules and policies of the internship program as stated in the Department of Mass Communication Internship Booklet & Guide to Employment Applications.
3. The student agrees to the rules and policies of the internship program and to meet his/her obligations as stated in the Department of Mass Communication Internship Booklet & Guide to Employment Applications.
4. The term of this agreement shall be from:
