GENERAL INSTRUCTIONS FOR PREPARATION OF COMMENCEMENT

Graduation caps may be decorated in celebration of your graduation. Any decorations applied to the cap should be appropriate and in good taste, and should not contain any offensive language or graphics. Additionally, decorations should not obstruct the view of any other graduate when seated or standing.

1. Each graduation candidate must order a cap and gown with the Bookstore, which is usually done in conjunction with Grad Expo. Grad Expo was held on February 28. If you did not attend Grad Expo, you can order your cap and gown online. The online order deadline to ship regalia orders directly to the graduate is April 9. You should check with the Bookstore two weeks before commencement regarding the arrival of caps and gowns. It is your responsibility to pick up your own cap and gown order from the bookstore on campus before the day of the ceremony. The bookstore can be reached at (985) 448-4540.

2. All graduation candidates should wear comfortable dark dress shoes.

3. Suggested dress for women includes street-length dresses or dress slacks and a blouse, preferably of a dark color, under the gown with comfortable dark dress shoes.

4. Suggested dress for men includes white shirts without coats, ties, and dark trousers. Dark, comfortable dress shoes and socks are also recommended.

5. Please respect the dignity of your academic robe by avoiding the attachments of personal decorations or signs.

6. The academic cap should be pulled halfway down the forehead so the upper part of the forehead is covered. The sides of the cap should be equidistant from the top center of the head. The cap must not be worn at an angle. The long part of the cap fits over the back of the head. The tassel is to be placed on the left side of the cap.

7. Graduation announcements are on sale at the Bookstore. For prices and ordering information, you may order online through Balfour, or contact the Bookstore at (985) 448-4540.

8. A professional photographer will take an individual picture of each graduate receiving a diploma. The photographer will mail proofs within two weeks of graduation. Please make sure your mailing address and email address are correct with the University on Banner Self Service.
